

Monthly Newsletter

WELLNESS VIDA CHIROPRACTIC

6 June 2024

Here's what has happened in the last month and what's to come!

Welcome to our monthly newsletter! Starting off with June, we are thrilled to share with you the latest developments in our mission to make a positive impact in our community.

Firstly, we would like to express our gratitude to all of our practice members and sponsors who were here for the Grand Re-Opening! Your generosity and dedication have allowed us to update our office and provide the best care possible.

In terms of our recent activities, we have successfully launched a new technology in our office to allow for more neurological, brain-based chiropractic care. With the introduction of BrainCore Neurofeedback, we've ushered in a new era of personalized care, tapping into the incredible power of the brain to optimize health and well-being.

We are also excited to announce that we will be hosting our summer special. This week-long event is a fun and interactive way to support our community with the best family based care. We hope to see you there!

Finally, we want to remind everyone that our practice relies on the kindness and support of our community. If you know someone who has been dealing with aches, pains, and problems that we can help with, let them know and we can get them scheduled!

Together, we can make a real difference in the lives of those who need it most. Thank you for your continued support!

Enjoy this month's newsletter!
